### **Graduate Assistant (ET-2127) booklet:**

- On pages A-7 through A-13, the list of health plan tiering by county, the footnote references Question & Answer #46 on page C-24. Question & Answer #46 actually appears on page C-23. (Page A-6's footnote is correct.)
- On page G-6, the comparison of State Plan types for 2007, the ambulance benefit under the Standard Plan out-of-networks says 80%. Ambulance is always paid 100%, so the out of network column should have 100% there.
